A Message from the Committee:

Delta Gamma TKE Alumni Association Mission Statement:

The Delta Gamma TKE Alumni Association is a charitable foundation dedicated to providing financial support to local and national charities and college scholarships. The foundation strives to connect TKE Alumni to serve philanthropic endeavors and to serve as role models, mentors, and a support group for the undergraduate chapter and the UConn community in which it exists.

Each year, with a budget of approximately \$20,000, the DG TKE Alumni Association provides funds to benefit charities such as Autism Speaks, the Alzheimer's Association, scholarship programs for incoming freshmen, and public service presentations. This year we are co-sponsoring a Drunk Driving prevention workshop with Kappa Alpha Theta. They recently lost a sister in a DUI hit and run accident. This event will be the first of many as we continue to fulfill our mission statement.

Please sign-up your foursome today. Please also review the Sponsorship Opportunities to the right, and let us know which one might interest you. There are advertising spots still available in our scorecard book as well. Remember the Delta Gamma TKE Alumni Association is a 501(c) 3 organization and a portion of your donation may be tax deductible.

For more information on this Tournament or how you can help, please contact Shaun Gately at: shaun@mariner-realty.com or Craig Branning at: craig.branning@tallan.com
